Network of Collaboration Between Europe and Latin America-Caribbean Countries

Progress in NECOBELAC training activity

The project training programme envisages courses for trainers (T1) and replication activity at local level (T2) in Europe and Latin America. To date, the project partners performed T1 courses in **Brazil, Italy, Colombia, Spain, Argentina** and **Portugal**.

Numerous training activities are being delivered at local level.

Don't miss the opportunity to take part in the forthcoming courses...

IFLA - International Federation of Library Associations

NECOBELAC will be present at the

77th IFLA General Conference and Assembly

13-18 August 2011

San Juan, Puerto Rico

"Libraries beyond libraries: Integration, Innovation and Information for all".

The Istituto Superiore di Sanità presents the NECOBELAC training experience highlighting the relevance of the access and use to health information: "Equitable access to information: a training experience in Europe and Latin American countries".

NECOBELAC's special offer!

The project covers journal publication fees to Latin American and European collaborating researchers (co-authors) for publishing scientific papers in open access journals.

The article should mention the objectives of the NECOBELAC Project.
