## NECOBELAC takes part in international events

### 1. Berlin 9 International Conference

The ISS partner will attend the **Berlin 9 Conference** presenting the NECOBELAC open access teaching and learning experience: *"Open Access teaching and learning across Europe and Latin America through NECOBELAC topic maps"*.

### 2. 2ª Conferência Luso-Brasileira sobre Acesso Aberto.

COFOA, November 24-25, 2011

The conference will join Brazilian and Portuguese communities involved in OA research, services and policy development. The Portuguese project partner, Universidade do Minho is involved in the organization committee.

## A special T2 activity linking NECOBELAC to environmental health issues in Ecuador

Quito, November 30, 2011

NECOBELAC will participate in the Conference: **"Ambiente y Salud: un enfoque de cooperación para la difusión de las informaciones"** planned in November 28-30 at the Universidad Tecnológica Equinoccial of Quito. The conference is organized by the Universidad Tecnológica Equinoccial of Quito, the Istituto Superiore di Sanità and the NECOBELAC project.

Within the conference aimed to discuss environmental and occupational health issues there will be a one-day session on NECOBELAC to present tools and best practices on scientific information diffusion in the field. The Italian (ISS) and Colombian (ISP) partners will take part as speakers in the Conference.
